The Rotary Club of West Chester provides financial support for worthy, non-profit organizations in the Greater West Chester Community. The Community Philanthropic Committee (CPC) evaluates applications for their ability to meet human needs in our community, the quality of the program to deliver the services, and the match to the overall strategy of the club to have a broad, but meaningful impact in the community.

What is the size of the grant?

The basic CPC grant is in the range of \$500 to \$5,000. There are numerous grants each year. There is also one organization which receives the proceeds of the club's annual Fruit Sale fundraiser. Applicants who require funding of this order of magnitude and would like to be considered for this fruit sale grant should so indicate in the Activity Description section of the application. Applicants who receive this award are required to actively participate in the club's Fruit Sale fundraiser. Applicants who apply for, but don't receive, the Fruit Sale grant will still be considered for one of the basic grants.
